## DETAILS OF PETITION

The applicant is motivated by:

- The fact that Alberta's separation from Canada is being actively discussed.
- Since a referendum appears to be imminent anyway, it should be objective and not directed by special interest groups.
- Separation will threaten the Canadian as well as the Alberta economy, the personal wealth of Albertan's, the Canadian citizenship rights of Alberta residents, the treaty rights of our First Nations, and have many other serious and negative consequences.
- We believe the majority of Alberta's residents are loyal Canadians opposed to any form of separation.

Therefore, we as represented by the signatory and applicant below propose a referendum on the following question: **Do you agree that Alberta should remain in Canada?**

**NOTE: THIS STATEMENT HAS NOT BEEN EDITED OR ALTERED IN ANY WAY BY ELECTIONS ALBERTA**
